DIRECTOR OF CENTRAL INTELLIGENCE
SECURITY COMMITTEE
COMPARTMENTATION SUBCOMMITTEE

MEMORANDUM FOR: Chairman
DCI Security Committee

10 AUG 1982

SUBJECT: Review of Foreign Travel Policy--DCID 1/20 ☐

25X1

25X1 1. ☐ Pursuant to your tasking (SECOM-D-225, 28 Jun 82), the Compartmentation Subcommittee surveyed its members concerning experiences under DCID 1/20 and compared implementing policies, procedures, interpretations, and problems. An extensive discussion on this matter was held at the 1 July 1982 meeting of the Compartmentation Subcommittee and members subsequently provided detailed written reports on behalf of their department/agency. Copies of these reports are attached for your perusal.

25X1 2. ☐ In summary, there were no significant problems reported that would point towards reexamining basic DCID 1/20 policies and procedures nor were any specific security problems reported by travelers. The Department of Justice recommended that DCID 1/20 be reviewed so as to reflect the provisions of pertinent Executive Orders and to be consistent with other recently updated DCI directives. This is taken to mean changing the references to "Executive Order 12036" and "Senior Intelligence Officers" to read "Executive Order 12333" and "Senior Officials of the Intelligence Community," respectively. This could probably be done as part of the ongoing revision of all DCIDs.

25X1 3. ☐ Certain members report their organizations exceed the DCID 1/20 requirements. For example, CIA requires all unofficial foreign travel to be reported. Another activity automatically debriefs the traveler prior to departure on unofficial travel and evaluates the persons need for access upon return. These actions are understandable and within the intent of DCID 1/20 to establish minimum standards.
